**HAPPY  
MAY  
BIRTHDAYS!**

**Birthstone:  
EMERALD**

**Flower:  
LILY**

**May 5th** is a national holiday for Mexico, second only to September 16, Independence Day. It was on this day in 1862, that a small group of poorly trained Mexican peasants, under the command of General Ignacio Zaragoza, bravely and fiercely fought for their freedom against a regiment of 6,000 French soldiers under the command of Napoleon III.

## NURSING WEEK

*A NURSE can soothe with gentleness.  
That takes the pain away:  
You're like an ANGEL spreading  
hope to those YOU help each day.*

*The Joy and Sunshine you bring to  
our residents make life brighter, not  
only for them, but for everyone you  
work with.*

### Mother's Day began...

- In 1858, when Anna Jarvis, a young Appalachian homemaker, organized "Mother's Work Days" to improve the sanitation and avert deaths from disease-bearing insects and seepage of polluted water.
  - In 1872, when Boston poet, pacifist and women's suffragist Julia Ward Howe established a special day for mothers – and for peace – not long after the bloody Franco-Prussian War.
  - In 1905, when Anna Jarvis died, her daughter, also named Anna, decided to memorialize her mother's lifelong activism, and began a campaign that culminated in 1914 when Congress passed a Mother's Day resolution.
- Each of these women and all of these events have contributed to the present occasion now celebrated on the second Sunday in May. Mother's Day is in honor of the Best Mother who ever lived – the mother of your heart.

## MEMORIAL DAY

**Memorial Day, or Decoration Day,** a U.S. holiday honoring the dead of all wars, observed on the last Monday in May. Memorial Day originated in the south after the Civil War when the graves of both confederate and union soldiers were decorated.
